- Tools: HTML, CSS, JavaScript, jQuery, API, Bootstrap, Font Awesome

Blog With Buddies | [Blog With Buddies - GitHub](#) | [Deployed App](#)

- Summary: A blog site for friends and family!
- Role: Sole Author
- Tools: HTML, CSS, JavaScript, Express, Express-Handlebars, Express-Session, MySQL, jQuery, bcrypt, Sequelize

EXPERIENCE

Teacher's Assistant UTSA Coding Bootcamp

**June 2021-Present
Houston, TX**

Currently assisting students in an intensive, 6 month full-stack web development coding bootcamp.

The course involves 250+ hours of in-class teaching through an extensive curriculum using HTML5, CSS3, JavaScript, jQuery, Git, GitHub, Heroku, Node, Express, React, MongoDB, MySQL.

Freelance App Developer Mail Management Services

**June 2021-Dec. 2021
Houston, TX**

Created a full-stack web app for parsing US Postal route data for Mail Management Services. Resolved data down to delivery/arrival times, routes, trip, load, mileage, and created weekly data points reflecting the changing data. Implemented the ability to upload and convert Excel files from .xlsx to .csv, correctly filling in missing data from merged cells, and subsequently uploading to the MySQL database.

Childcare Professional Family

**2018-2020
Houston, TX**

Helped my sister and her husband with childcare responsibilities. Babysat my 6-8 year old niece, Emma, and her 1-3 year old sister, Elizabeth, while my sister and her husband finished obtaining their Ph.Ds.

Key Accomplishments:

- Helped develop reading and verbal skills in a creative and fun environment.
- Fostered a day-time schedule and incentivization system for accomplishing learning goals.
- Conducted several science-based experiments for children, like growing salt crystals.

Shop Manager HTX Made

**2015-2018
Houston, TX**

Implemented lean manufacturing principles for a custom carpentry manufacturer. Helped grow and innovate the business, moving from a garage into a 20,000 sq. ft building.

Key Accomplishments:

- Implemented an entire inventory and as-needed replacement system.
- Reduced manufacturing costs by implementing a cost per project, per employee, per resource system.
- Trained new carpenters in lean manufacturing principles, who maintained the shop at a high level of cleanliness and order.
- Implemented health and safety protocols for injuries and daily work hazards.

EDUCATION

Certificate, Full Stack Web Development – Rice University

Houston , TX

**Bachelor of Arts,
Classical Language and Literature** – Texas Tech University

Lubbock, TX
